

Joanne Posse Photography will photograph all models in their American Girl costumes at the **Fittings & Photography** sessions on **February 16, 2010** at The Saturday Club. Please refer to your show assignment email for your fittings & photography appointment time. Fittings have been scheduled so no two girls are trying on the same costume at the same time. If you are late for fittings, you may have to wait longer for your costume to be available. Please make sure your children are "camera ready" (hair combed, no make-up) when they arrive for their appointment.

You may purchase a full-page portrait and message to appear in the Fashion Show Program Book. The program is approximately 150 pages and is professionally printed on glossy paper and bound. **The cost of the program portrait and message is \$150.00. You will also receive a 5x7 color print of the portrait. This package makes a wonderful memento of the show!**

You may also purchase a 5x7 color print of the portrait only for \$50.00. All color prints will be available for pick-up at the time of your child's show. While Joanne will photograph each child, you are under no obligation to purchase either option and there is no sitting fee.
